Dear Volunteer Junior Counselor applicant,

Thank you for your interest in the Greenwell Foundation Volunteer Junior Counselor program. Volunteers are an integral part of camp, helping to provide a fun-filled summer for children of all abilities. We hope you will have fun in addition to learning how to be a great helper and camp counselor this summer.

Applicants for the Volunteer Junior Counselor program must be 14 years old age by June 1, 2010. Applications are due June 14, 2010 and may be emailed to volunteer@greenwellfoundation.org or sent to:

Attention: Volunteer Junior Counselor Program
P.O. Box 198
Hollywood MD 20636

The responsibility of Volunteer Junior Counselors is to assist the paid camp counselors to run summer camp. Daily assistance is needed preparing activities and crafts, participating in archery, kayaking, hiking, games, and cleaning up. Volunteer Junior Counselors will not be responsible for a group of campers, but rather work as assistants. Volunteer Junior Counselors are prohibited from disciplining a camper at any time. Volunteer Junior Counselors are held to a higher standard than campers and are not considered participants in camp. In the event there is time and equipment available, Volunteer Junior Counselors may participate in archery, kayaking and other special activities. Volunteer Junior Counselors are expected to follow all camp rules including our cell phone policy.

Your application will be processed as it arrives in our office. You will be notified of your acceptance via email. Once approved, Volunteer Junior Counselors are required to attend training on **Friday, June 18, 2010 from 10:00am – 5:00pm** to qualify for this program. Parents/guardians must call the office to sign up for this training session. There is no charge for participation in the Volunteer Junior Counselor program. However, there is a \$200.00 fee for the Volunteer Junior Counselor training. Camp Counselor training will be held June 14-18, 2010. We strongly encourage Volunteer Junior Counselors to attend as much training as possible. You may contact the office for the schedule. There is no charge to participate in the additional training. Topics and activities include CPR, waterfront training, responsibilities, how to seek help, games, hiking the trails, discipline, group management, inclusion, special situations, and clubhouse preparation. If you choose to participate in CPR, there may be an additional charge.

Volunteer Junior Counselors may choose to spend a minimum of one week and as many as nine weeks at camp. Our camp day runs from 9:00am to 4:00pm. If additional hours are needed, Volunteer Junior Counselors may be enrolled in our extended care program. Once accepted as a Volunteer Junior Counselor, parents/guardians may do this by signing them up through our online camp registration system and pay the appropriate fees.

Requests for letters of recommendation, as well as signatures for community service hours, must be made in advance in writing and will be mailed to you after the conclusion of camp.

If you have additional questions, please call our office at 301-373-9775.

Thank you again for your interest in the Volunteer Junior Counselor program.

Sincerely,

Jolanda Campbell
Executive Director
